

Business Background Investigator

Job Description

Surveillance, a forensic fraud investigation agency, is looking for a fulltime Business Background Investigator to join our forensic investigation team. You will conduct background searches and online investigations of companies and individuals, perform due-diligence investigations and forensic reviews.

Responsibilities will include conducting online desk searches, preparing written reports with assessment and recommendations, and assisting with various office-related and administrative tasks.

Skills

Successful candidates will have proficient Internet research skills, analytical thinking, excellent writing skills, a professional demeanor, motivation, communication skills, and good computer skills.

We require a high-level integrity personality with strong work ethic, attention to detail, strong problem-solving skills, positive attitude, and good judgment. Ability to work under pressure is a must.

Experience & Education

Work experiences with the similar job is an advantage. Candidate must possess at least a bachelor's degree in any field, a university degree is an advantage.
